Suspense over the report that Serg. Robert Davidson, formerly of Barre, was missing after a raid in France in which the Canadian contingent figured prominently last April was broken recently when a postcard received in the home of ex-Mayor Robert Gordon of Orange street brought tidings of the sergeant's imprisonment in a German detention camp. Ten weeks were consumed by the message in its errand of advising relatives in America that Serg. Davidson is alive. The prisoner states that he is well and inquires anxiously after members of his family. The message is written on a form postcard provided by the German government for use in the prison camps. Mrs. Gordon is a brother of Serg. Davidson and his father, Robert Davidson, Jr., resides in the Gordon home. Serg. Davidson learned the granitic trade in Barre and left this city at the outbreak of the war to enlist in a Canadian regiment.

Those wanting to learn about southern Florida worked me good and hard all last week. I'll be there this week only. Call in and see maps, soil and photo of our huge tractor now working the Everglades. Damage in unexpected places resulted from the recent electrical storm and previous wind storms, according to Supt. C. F. Miller of the M. & B. L. & P. Co., who finds that many poles were stripped of their incandescent lamps. A thorough inspection of the lighting lines determined the extent of the damage and employees of the company are busy now in replacing the damaged or destroyed incandescents. In any number of instances, the lightning or wind fractured the elements in the globes, rendering them useless for further service.

The Barre Pipe band will give the last of its series of open-air concerts in City park this evening at 8 o'clock. Pipe Major Eustace Ritchie has brought his aggregation of musicians to a point where they are discoursing the best music of the season, a fact which was readily demonstrated when they made a big hit at the Red Cross rally and flag raising in Orange Tuesday night. The following program has been arranged for the concert: March, "Heilan' Laddie"; march, "The Rush O' Don"; march, "Green Hills of Tyrol"; march, "Col. Condon"; march, "22d Gordon Highlanders"; march, "Earl of Mansfield"; strathspey, "High Road to Linton"; reel, "Christmas Carousing"; march, "Glen-doual Highlanders."

An old-time dance program, one of a series which was used to proclaim a new era in Twingville a half-century ago, is in the possession of Joseph M. Taff of Merchant street, who recently came upon the "dodger" while going over a collection of miscellany. The program was issued for a dance held in White's hall in what is now North Barre. The festive occasion took place on the eve of Thanksgiving day, 1866. It was before the days of the bunny-hug, the kitchen jolt and the fox trot, and most of the dances noted on the program are square figures. Under the dance order patrons are notified that House's quadrille orchestra is to furnish music. The leader of the orchestra, far famed in those days, was Henry House, whose death occurred in Williamstown a few weeks since. The hall bill for the Twingville dance was \$25.00 and in the committee list are the names of several men prominent in the early days of Barre's development.
